6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

Digitized by

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 1 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject unless such Medal is bestowed for military or naval services performed by his command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the List of rank, involves the loss of previous time of service in that rank; so also, when a sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; as it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT.

The 7th day of January, 1864.

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of January, 1864, in the words following, viz.:—

"Whereas by Your Majesty's Order in Council of the 26th of October, 1860, Your Majesty was graciously pleased to empower us to place on the lowest or any intermediate rate of half-pay such Officers of Your Majesty's Fleet as by misconduct or irregular habits might from time to time render themselves unworthy to enjoy the higher rates of half-pay allowed to their brother Officers: And whereas instances have occasionally occurred in which in consequence of intemperate or irregular habits, Officers of Your Majesty's Navy and Marines have been pronounced by medical evidence to have unfitted themselves for further active employment: We would humbly submit to your Majesty that in future, when we shall have fully satisfied ourselves, after due enquiry, that an Officer's incapacity for further active service has been occasioned by his own irregular and imprudent conduct, we be authorized to reduce such Officer's half-pay to a still lower scale than is sanctioned by Your Majesty's aforesaid Order in Council, viz., to such an amount below the minimum rate of the half-pay of his rank as we may consider to be adapted to the circumstances of the case."

Her Majesty, having taken the said Memorial into consideration, was pleased to and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) Edmund Harrison.

IX. After having completed 12 months' instruction, exclusive of vacations, in the Training Ship, a Cadet will have to undergo the final examination. Should he be found qualified he will be granted a Certificate to that effect, and be appointed to a Sea-going Ship. Should he be found not qualified, he will be discharged.

VIII. Observations with the Sextant, &c., the use of the Azimuth Compass and Chronometers, &c.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the

same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers or Non-commissioned Officers engaged; and two Seamen, Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of the persons selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General or Officer commanding, who shall in due manner confer the Decoration, if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Cross has been gained, be entitled to a Stg. Pension of Ten Pounds a-year, and each additional Cross to an annuity of Five Pounds a-year, and such additional Pension or Pensions shall be paid on such Warrant or Petty Officer or Non-Commissioned Officers or Men, shall cease and determine from the time of his being accused of any such offence and duly convicted thereof by a Court Martial, or after such reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the register of individuals upon whom the said Decoration or Pension shall have been conferred by an especial Warrant under Our Sign Manual, and the Pension reserved unto him by the said Warrant. It is hereby further declared that Our Heirs and Successors shall be the sole judges of the circumstance demanding such exclusion; however, We shall at all times have power to restore such person as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth day of January, in the seventeenth year of Our Reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations :

2. The Pensions authorized by these Regulations cannot be claimed as a *Right* ;—they are granted as rewards for good and faithful service rendered by deceased Officers ;—they will only be conferred on persons deserving the Public Bounty ;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances :—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of serving, had, of his own solicitation, been excused from serving, which was upon ; provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent application of the public money, discovered and punished the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy ; or if she had been living at the time of her husband's death in a state reputable state of separation.

v. If her husband died in the service of a Foreign State unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the Officer was killed or drowned in the Sea Service ; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her Husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the cause which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

8. The Widows of Warrant Officers (Gunners, Boatswains, Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

9. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay.*

10. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to them, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

11. In all cases of a Widow re-marrying, on or after the date of these Instructions, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Royal Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

12. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family in the lamentable event of his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

13. With respect to marriages contracted in Scotland they will be admitted, for the purposes of these Regulations only, when cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by the acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

14. *Mothers.*—When an Officer is killed in action, and has no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was entirely dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of a like kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

15. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which could be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall have died of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

PRIZES BROUGHT BEFORE THE VICE-ADMIRALTY COURTS ABROAD.

Her Majesty having been pleased, by Her Order in Council of the 22nd day of October, 1850, to establish the following Regulations for the several Courts of Vice-Admiralty abroad, touching the practice to be observed in the said Courts in proceedings instituted on behalf of Her Majesty's Ships, and as to the costs incurred in such proceedings, and for securing the transfer to the account to Her Majesty's Paymaster-General, on account of Naval Prize, of the proceeds of any prizes which may be condemned in the said Vice-Admiralty Courts to any of Her Majesty's Ships, My Lords hereby make known the same for the information of the Officers of Her Majesty's Ships whom they may concern.

1. Whenever any Ship, Vessel, Goods, or Merchandize has or have been detained or captured by any of Her Majesty's Ships or Vessels of War, and it has been determined to send the same before some Vice-Admiralty Court for adjudication, the Commanding Officer of the capturing Ship shall deliver to the Officer who may be sent in charge of the Prize an authority to institute the necessary proceedings, and such authority shall be in the terms or to the effect contained in the Exhibit hereto annexed marked No. 1.

2. The Officer, to whom such authority is given shall, upon his arrival in Port, or the Commanding Officer shall himself, if in Port, deliver the said authority to the Queen's Proctor in the Colony, or in his absence, or on his refusal or default to institute proceedings, to any other Proctor in the said Colony; and such Proctor may thereupon institute the necessary proceedings against the said Prize, with a view to her condemnation.

3. At the termination of the proceedings the Proctor who shall have conducted the suit on behalf of the Queen's Ship shall submit his costs, as also any charges which may have been paid by him, and which are properly chargeable against the said Prize, including the expenses, if any, attending the maintenance and conveyance of the Prize Officer and Crew, for taxation; and the Registrar of the Court, after having carefully examined them, shall report to the Court the amount at which such costs, charges, and expenses ought to be allowed.

4. Should the Prize be condemned, then, if the proceeds arising from the sale thereof are sufficient, the Court may order payment of the sum at which the said costs, charges and expenses have been taxed to be made out of the said proceeds, and the balance of such proceeds shall be forthwith paid to the senior Commissariat Officer of the place, in order that the same may be remitted to this country, in accordance with the provisions of the Act of the 17th Victoria, cap. 19.

5. But if the proceeds shall be insufficient to pay the amount at which the said costs, charges, and expenses have been taxed, the Court may order the whole of the said proceeds to be paid in part satisfaction thereof; and the said Proctor may then draw on the Accountant-General of the Navy a bill, at thirty days after sight, for the balance remaining unpaid, and shall transmit with such bill the authority above mentioned from the Commanding Officer of the capturing Vessel for instituting proceedings against the said Prize.

6. If, however, there shall be no proceeds, or if the Prize against which proceedings have been instituted has been decreed to be restored, the Proctor may draw upon the Accountant-General of the Navy a bill at thirty days after sight for the whole amount at which the said costs, charges, and expenses have been taxed and allowed by the Court, and shall transmit with the said bill the authority from the Commanding Officer of the capturing Ship, authorizing him to institute proceedings against the said Prize.

7. The Registrar of the said Court shall, as soon as possible after the said Costs are taxed, and *before* the Proctor has drawn upon the Accountant-General of the Navy for the amount which may be due to him, transmit the account of the said costs, charges, and expenses in original, signed by himself and the Judge of the said Court, to the Registrar of the High Court of Admiralty of England, accompanied with a certificate stating the amount at which it has been taxed, whether the whole or what part thereof has been paid, and whether any and what part remains due, and for which the Proctor may draw upon the Accountant-General of the Navy, and if the proceedings have not been conducted by the Queen's Proctor, whether that officer has declined or refused to conduct them, and on what grounds.

8. The Accountant-General of the Navy shall, upon any such bill as aforesaid being presented to him for payment, forward to the Registrar of the High Court of Admiralty a statement showing the amount for which the bill is drawn, the name and description of the person by whom it is drawn, and the Prize in respect of which the same is payable, and the Registrar shall thereupon inform the Accountant-General whether the amount for which the bill is drawn agrees with the account received by him from the Registrar of the Vice-Admiralty Court, and whether there be any reason why the said bill should not be accepted and paid.

9. Upon receiving the reply of the Registrar of the High Court of Admiralty, the Accountant-General of the

Navy may accept the said bill, in whole, or in part, to the extent of the amount which may appear to be properly due, and shall, if a condemnation has taken place, debit such amount against the Prize in respect of which the said costs, charges, and expenses have been incurred; and the bounties or other monies which have been, or may thereafter be paid to the Naval Prize Account in respect of the said Prize, shall be applied, so far as they will extend, towards the reimbursement of the said amount.

10. But if there should be no such bounties or other monies, or if the bounties or other monies should be insufficient for the purpose, the amount which remains unsatisfied shall be placed to the debit of the Commanding Officer of the Ship of War who authorized the seizure, and shall be charged against any prize money or pay which may be or become due to him, unless the Commissioners for executing the office of Lord High Admiral for the time being shall think proper to relieve him from the payment thereof.

11. The Registrar of each Vice-Admiralty Court shall transmit at the end of each quarter to the Registrar of the High Court of Admiralty a return of all the Prizes in respect of which any proceedings have been taken during the said quarter, in the Form hereto annexed, marked No. 2, showing the name of the Prize, the names of the capturing Ship and of its Commanding Officer, the date of the adjudication, the amounts of proceeds, if any, the amount of the costs as taxed and allowed, the amount, if any, which the Proctor has been authorized to draw upon the Accountant-General of the Navy, the payments that have been made out of the proceeds, specifying the amount thereof, to whom paid, and when, and such returns shall be signed by the Judge and Registrar of the said Vice-Admiralty Court.

12. These Rules, Orders, and Regulations, when approved by Your Majesty in Council, shall be transmitted to the Vice-Admiralty Courts within Your Majesty's Dominions, and shall come into operation on the [illegible] January, 1860, or at such other time as may be fixed by Order in Council, and shall be communicated by the Registrars of the said Courts to the Officers of the respective Vice-Admiralty Courts.

That in case of any Difference on any Question arising of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Rule, or adhering as nearly as possible, in Cases not provided, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, *per Centl.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading or Receipt or Receipts of the Officer receiving the same thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

That Treasure belonging to the Crown shall be shipped on board any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof; the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give a Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the said Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other Officer shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have the Two Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer then from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, a Engagement in Writing in Form or to the Effect following;

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by those Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamation to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of depo-it.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

(NAVAL RETIREMENT.)

At the Court of Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's *Most* Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz.:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our ability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek the Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"*First, as relates to Captains.*

"We would humbly propose that all Captains who have served, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, and on the same scale as hereinafter mentioned. At the Court at Windsor,
the 9th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"First, as relates to Captains.

"1. That the Active List of Captains shall be raised from 350 to 360.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full six time required to qualify them for promotion to the Active List of the Officers. Such Officers to receive Retired Pay as follows:

"If on the 10s. 6d. Half-pay List when retired 10s. per day.
If on the 12s. 6d. " " " 12s. "
If on the 14s. 6d. " " " 14s. "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained that Flag by seniority had they remained on the Active List, and that to receive Retired Pay at the rate of 20s. per diem, subject, however, to the proviso contained in Paragraph 5.

"3. That the above system of retirement shall be extended to Captains who may have attained the age of sixty, provided they be willing and desirous to accept it on the subject to the proviso contained in Paragraph 5.

"4. When the Active List of Captains shall have been raised to 360, no Captain shall be eligible for retirement under the Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire from the Active of age, at the several rates of 18s. or 20s. per diem, subject, however, to their standing on the List, provided they shall have served five years at sea in the ranks of Lieutenant, Commander, or Captain, or a combined period of 15 years; and if less than five years' service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Officers of their standing, subject to the proviso contained in Paragraph 5.

"5. That we may be empowered, at our discretion, to retire a limited number of Captains who may have attained the age of fifty, and who are not desirous of further service, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 360, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 5.

"7. That the increased rate of 25s. per diem, hereby proposed to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have been promoted, or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers now on the Retired List, subject to the same proviso. All Officers now on the Retired List are either now, or who may be in future, entitled under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Pay List according to the seniorities which they respectively hold on the List of Captains, but without receiving any increase of retired pay or emolument.

"8. That no Officer who may be put on the Active List of Captains previously to the 1st of August, 1865, shall be allowed more than the pay of Six a-day on attaining the rank of Rear-Admiral, unless he shall have served the year's service at sea in the rank of Captain.

"Second, as relates to Commanders.

"9. That the Active List of Commanders be increased from 450 to 460.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who may not be promoted within a period of fifteen years after they shall have been placed on the List of Commanders, or as Staff-Commanders, or as Masters of Revenue Vessels or in the Coast Guard, or as Staff-Commanders or Transport Officers, shall be extended to Commanders who may have not been so employed during a period of ten years, and to such Officers, and Officers of Coast Guard, Transport, and Mail Service rank, to be permitted to assume the rank and title of Captain on reaching the age of 60 or 55 years, according to their seniority on the List of Commanders, or to be allowed to retire on retirement pay on the same conditions as Captains, subject to the approval of the Council, with this difference only, that the Commanders who may in future retire shall receive their pay at the rate of 15s. a-day, and those who shall retire from shore or Transport Service as above shall have served eight years afloat as Commanders, and shall have served at sea, instead of twelve, as Lieutenants, with the same proviso.

"11. That the same rate of

wording benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

"12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 600, no further retirement of Officers shall also place under this clause.

"13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

"*Third, as relates to Lieutenants.*

"14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

"15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

"16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on obtaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

"17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

"Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR (late) No. 16.
N

Admiralty, 17th June, 1862.

(ENGAGEMENTS FOR CONTINUOUS SERVICE.

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relating to engagements for continuous service, be promulgated for the information and guidance of the Officers in command of Her Majesty's ships, and the seamen of the Fleet:—

1. Men who enter the Royal Navy for the first time as continuous service men, are to engage for 10 years' service. Having served that period, they may have the option of completing their time for pension either by two separate entries of 5 years each, or by one entry for 10 years.

2. Non-continuous service men who volunteer for continuous service, are likewise to be entered for 10 years. Those who so volunteer, when serving afloat, may be permitted to count towards such 10 years any period of non-continuous service time, not exceeding 3 years, served on board the particular ships from which they volunteer.

3. Men who have completed 10 years' service under the rules laid down in the preceding paragraph, and those who have served 7 years' continuous service under the regulations in force prior to the 1st of January last, are to have the option of re-entering for 5 years, and a subsequent entry for the period necessary to complete their time for pension; or they may engage for the whole period requisite for that purpose.

4. No man who has served 10 years upon the non-continuous service system is to be permitted to enter for continuous service, unless, within 12 months after having completed the said period, he engages for one term of 10 years' further service.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 288.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working at the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off Courses and Compass Courses.

3. Such knowledge of Nautical Surveying, as will enable him to measure a base line and determine positions by angles, and the manner of ascertaining depths and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical steerer.

7. He must produce Log Books kept by himself during the time of his entry into a Sea-going Ship, and on his entry of Good Conduct.

8. He will likewise be examined as to his practical knowledge of rigging of Masts, Bowsprit, &c.; in getting tops over and placing a lower cap, and in the rigging, and especially as to the proportions of the staying lower Masts; in bending a cable to the anchor, in bending up in a strong breeze with a Sea on; in making up the course and topsail for bending of Sea; in the proportions of masts, yards, and sails at Sea, and the other duties required on the Ship both in tacking and wearing; in the proper arrangements for mooring and unmooring Ships, and in getting rafts clear. He must likewise have done Great Gun and Small Arm Exercise, the use of Torpedoes, and the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty at the annual yearly Return.

XIII. The Examinations under Articles X and XI are to be conducted by the officer in command, as far as may be, of Commander, and the next Senior Officer to the Commander, or Commander, by two Naval Instructors, if practicable, or by a Naval Instructor and a Master, or Master, if there is no Naval Instructor in the ship, or by a Gunnery Lieutenant or other competent officer; and at these Examinations the Candidate is to be made to work out his own observations for Latitude, Longitude, Time, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, to the form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must then serve in that rank for a further period of two years, or having completed such two years, as many, if he has not attained the age of 19 years, present himself for examination for the rank of Lieutenant, in accordance with the Regulations Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by one of the Commander-in-Chief or Senior Officer of one of the ships present together; but a Midshipman may undergo this examination in a ship or vessel as far separated from the ships in which he may have performed the greater portion of his term of service, and being 19 years of age, who is serving in a ship or vessel as far separated from any ships in which the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of the ship or vessel, with the aid of other competent Officers, a Lieutenant, Master, or Second Master, and if found competent to be duly qualified, they are to give him a Certificate to that effect, dated on the day of such examination, and he then may forthwith give him an acting order as Mate, but he must be re-examined on the first opportunity that may afterwards offer by three Captains or Commanders, as above required, and if he passes successfully he may receive from the Commander-in-Chief, or Senior Officer, an order to act as Mate to take rank according to the date of his Certificate.

As the above is the final Examination by Naval Officers, Examining Officers are to be most strict in the examination of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he possesses testimonials of good conduct from Captains he has served under for two years.

INFORMATION FOR MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN COLONIES.*

1. Privileges in the acquisition of lands are at present allowed to military and naval officers in the colonies of South Wales, Western Australia, some of the provinces of New Zealand,† Ceylon, the Cape of Good Hope, Natal, and British Columbia.

In all the above-mentioned colonies, except Ceylon, the control of the waste lands of the Crown has been transferred to the local legislatures. Her Majesty's Government cannot therefore guarantee the continuance of the following conditions, as they will be liable to be altered or abrogated by the local legislatures.

2. In the above-named colonies land is granted to officers only; but officers purchasing land are allowed a remission of the purchase money, according to the undermentioned scale:—

Field officers of 25 years service and upwards, in the whole .....
Field officers of 20 years service and upwards, in the whole .....
Field officers of 15 or less years service, in the same
Captains of 20 years service and upwards, in the same
Captains of 15 years service or less, in the same
Subalterns of 20 years service and upwards, in the same
Subalterns of 7 years service and upwards, in the same

Subalterns, under 7 years standing, are not entitled to remission in the purchase of land.

Regimental staff officers, and medical officers of the army and navy, are allowed the benefit of this rule; so are chaplains, commissariat officers, and officers of the civil departments of the army; pursers, chaplains, surgeons, warrant officers of every description, and officers of the civil departments of the navy, are not allowed the privileges in respect of land. Although warrant officers classes may have been admitted formerly, yet under the present circumstances, they are now excluded. Militia officers of navy rank with ensigns in the army, and masters of the navy standing with lieutenants in the army, and are entitled respectively to corresponding privileges in the acquisition of land.

3. In order to take advantage of this privilege, officers of the army and navy on full or half pay, should present themselves with a certificate from the officer of the Queen's Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, showing that their retirement in the service has been sanctioned, and stating their rank and length of service. No document from the office of the Secretary of State is necessary.

4. This certificate will not on any account be issued more than once to the same officer, or to any officer except who shall for two years immediately preceding the date of this notice have resided in the colony in which he desires to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of land. This rule, however, is not to affect officers who have obtained permission to settle in a British colony, have left the service for the purpose of doing so. First, however, it will be necessary that their certificate of service and retirement should bear the date of their retirement from the service, and that, within one year from that date, but not before, application it should be presented to the Governor of the above-named colonies, which will be a sufficient warrant for the above-named bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the regulations being to encourage the permanent settlement in the above-named colonies of military and naval officers, and it being necessary to prevent persons who have no intention of settling there from taking advantage of the privilege, officers will not, for the space of two years from the making out of their certificates, receive a free grant for any land purchased by such certificates, but will in the mean time, receive a "location ticket." At the expiration of two years, the officer, on observing to the satisfaction of the Governor that he is *bonâ fide* a resident in the colony, and has so resided continuously since the issue of the "location ticket," will be entitled to a Crown grant, on giving in exchange for it. If, however, application should not be made for the exchange of the "location ticket" within twelve months from the expiration of the two years for which it was granted, it will be considered to have lapsed, and a fresh

In case of such death occurring before the "location ce" is obtained, the Governor of the colony is authorised make the certificate available in favour of the child, or nearest representative of the deceased officer, as he may advisable.

MEMORANDUM No. 44.—M.

Admiralty, 10th *October*, 1863.

(ASSISTANCE TO BE RENDERED TO THE ACCLIMATISATION SOCIETY.)

My Lords Commissioners of the Admiralty, having had under their consideration the important question of Acclimatisation, are pleased to direct that so far as is consistent with the requirements of the public service, and upon the distinct understanding that no expense whatever is incurred, every facility is to be given by the Commanding Officers of Her Majesty's ships and vessels to any accredited agent of the Acclimatisation Society, who may apply to them through any of Her Majesty's Foreign Ministers or Consuls, or through the Governor of any of Her Majesty's Colonies, for the transport of specimens.

The annexed copy of a circular addressed by permission of the Secretaries of State for Foreign Affairs and for the Colonies to Her Majesty's Foreign Ministers and Consuls and Colonial Governors, in various parts of the world, will explain the objects which the Society has in view.

By Command of their Lordships,

To all Flag Officers, &c. . C. PAGET.

ACCLIMATISATION.

Enquiries addressed to Her Majesty's Minister, Governor, or Consul at

The Gentlemen to whom these questions are addressed, are earnestly requested to consider the high importance which will be attached to the answers which they may return, and the service which they will render to the cause of Acclimatisation by endeavouring to the utmost of their knowledge, to make those answers as full and otherwise as satisfactory as possible.

The main purposes of Acclimatisation are to introduce, acclimatise, and propagate in the United Kingdom and its Dependencies such Animals, Birds, Fishes, Insects, and Vegetables as are likely to be of use or ornament, whether for domestication or for varying the common food of the people, or for manufacturing, or for any other useful purpose; and whose constitution and habits offer a reasonable prospect of successful cultivation. It is obvious that in India, Australia, Canada, the Cape, and other important Dependencies, unlimited scope is afforded for almost any variety of experiment.

It is confidently expected that the answers returned to these questions by Her Majesty's Ministers, Governors, and Consuls in different parts of the World, will bring together a mass of information on this interesting and highly important branch of knowledge such as never has been collected before, and the benefit which these Gentlemen will thus confer upon their fellow-countrymen will be in proportion to the fullness and exactness with which those answers are drawn up.

In replying to Questions 1, 2, 3, and 8, it is particularly requested that those special qualities which recommend the quadrupeds, Birds, Fishes, and Vegetables as fit for food or domestic utility may be described. As regards Quadrupeds, Birds, and Fishes, it will be very desirable to collect all the information which can be got as to the best modes of feeding, keeping, and rearing the same, and, as regards Vegetables, any information as to the best mode of cultivation.

QUESTIONS.	ANSWERS.
I. Is there any Quadruped, indigenous or introduced to the Country in which you reside, which (having regard to the above definition of the objects in view) merits attention with a view to acclimatisation in Great Britain or any of its Dependencies? If there be any such, state whether it is attainable at a reasonable rate, and whether it is likely to bear the risk of transport.	
II. Is there any such Bird?	
III. Is there any such Fish?	
IV. Is there any such Insect?	
V. Is there any such Timber Tree?	
VI. Is there any such Medicinal Plant?	
VII. Is there any Fibrous Plant likely to be useful for manufacturing purposes?	
VIII. Is there any Vegetable suitable for the food of man, or for forage, or for any other useful purpose?	
IX. Do you know any Quadruped, Bird, Fish, Insect, Tree or Plant existing elsewhere, the introduction of which to the country in which you reside would be likely to be beneficial: one of the objects of the Acclimatisation Society being to reciprocate the benefits which it receives from other countries?	
X. Does any Organisation exist, or could it be easily called into existence, capable of undertaking the task of introduction?	

Any Remarks founded upon special knowledge or local information, capable of being made useful to the progress of Acclimatisation, will be desirable.

Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." (HEALTH OF CREWS OF HER MAJESTY'S SHIPS.)

My Lords Commissioners of the Admiralty having had under consideration the expediency of a Medical Examination of the Crews of Her Majesty's Ships at certain periods, with a view to ascertain whether any are suffering from diseases, many of which, aggravated by neglect, incapacitate men for service; their Lordships are pleased to direct that before a ship leaves England, or any port where there is a Naval Hospital, steps shall be taken to ascertain whether any of the men are suffering from any disease requiring Hospital treatment. For this purpose the Officers of the Divisions, accompanied by a Medical Officer, are to go carefully round the Divisions, and are to call upon their men to report to the Surgeon any complaint, however trifling, and should there be reason to fear from the appearance of any Man that he may be suffering from concealed disease they are to order him to be medically inspected.

My Lords further direct that no Man discharged from the Sick List after the Venereal Disease shall be allowed to go on leave till eight days have elapsed from the date of his discharge.

Should a Commanding Officer find, on inquiry in any port abroad which his ship may occasionally visit, that the Venereal Disease is notoriously prevalent, he may exercise his discretion in withholding leave during his stay at the place, should due regard for the health of the Officers and Men under his command, and the duty on which he is employed, render such a precaution necessary. In every case of his refusing leave on this ground, he is to report the fact to his Commander-in-Chief, stating his reasons for having done so.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1850.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1850.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such
C. applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume
D. the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June,
B. 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers
A. as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the
E. Captains' List for ten years, to be eligible for retirement. The Retirement will be

Digitized by Google

so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired . . . . . 18*s.* per diem.
If on 12*s.* 6*d.* . . . . . 20*s.* „ „
If on 14*s.* 6*d.* . . . . . 20*s.* „ „

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several

Digitized by Google

rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

I. 1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)
